EDUCATION AND TRAINING

2019 - Present **Doctorate in Gestalt Psychotherapy D. Psych (GT)**Name of the Education and Training Provider:

European Accredited Psychotherapy Training Institute – Gestalt Psychotherapy Training Institute Malta (EAPTI-GPTIM) Higher Education Institution (NCFHE) 2014 – FHI - 020

Brief Profile of the Education and Training Provider:

EAPTI-GPTIM is a Higher Education Institution based on experiential, experimental and existential philosophies. In teaching, learning and practicing psychotherapy, a holistic, client-centered, dialogic and contextual approach is central to the institute's values and philosophy, whereby the focus is on the total person as an individual in relation to others and the rest of the total field.

The student's personal participation in the learning and/or therapeutic process is crucial. By providing experiential learning, the student has a first-hand experience of the process of therapy and of personal growth.
